Excel*

The ^{Burgess}Excel Feeding Plan

FEEDING HAY

85–90% of a Rabbit's diet should be **feeding hay or fresh grass**

EXCEL NUGGETS

A small amount of **Excel nuggets** supplement your rabbits diet with vitamins and minerals and prevents selective feeding

NATURE SNACKS

An occasional **nature snack** can encourage bonding and natural foraging behaviour

FRESH GREENS

A small handful of **fresh greens** and herbs every day adds variety to the diet

FRESH WATER

Fresh water should always be available
