

A HAPPY, HOPPY HOME

Spacious, Warm
& Cozy Home

Hay Rack

Willow Balls

Filled with Hay

Hiding Space

Play Tunnel

Foraging Box

Scattered
Nuggets

Water Bowl

Outdoor rabbits need plenty of space to move, stretch and feel secure. If the space is sited on grass, you must sink wire under the earth so that rabbits cannot escape and a predator cannot dig in to them.

The minimum recommended living area ➔ **3M x 2M x 1M**
(L x W x H)

They should always have unrestricted access to ➔

A SAFE, WEATHERPROOF SHELTER FOR SLEEPING AND HIDING

A SOLID ROOF AND STRONG MESH IS NEEDED TO PROTECT THEM FROM PREDATORS AND THE ELEMENTS

Think beyond the hutch – create a home that lets them thrive!
